Your list of SSCI Members and staff is accurate. There are a number of staff members who are not listed and who are not closely tied to any particular subcommittee. These staff members are: Sam Bouchard, Angelo Codevilla, Jean Evans, Ed Levine, Keith Raffel, Walt Ricks, David Shaw, Abram Shulsky and Stan Taylor. I will caution you against to close an association of staff with a particular subcommittee. Many of these staff members serve a senator on all committee matters or may have a number of different assignments. For example, Tom Moore is involved in about everything the Committee does except covert action, and Anne Karalokas normally handles the Committee's confirmation hearings.
